

Innovation Credit Union Selected Platinum AON Best Employer in Canada

November 9, 2018

Innovation Credit Union is very excited to announce it has been selected as a Platinum Level AON Best Employer of Canada!

There are two levels of recognition for AON Best Employers in Canada – Platinum or Gold. To be recognized as a Best Employer, organizations need to perform strongly on employee engagement, leadership, performance culture, and employment brand.

Dan Johnson, CEO of Innovation Credit Union: “The Innovation team continues to be amazingly resilient in these disruptive times.” Johnson adds, “In an industry that is consistently changing, Innovation has kept up with that change and our staff group has handled this remarkably well to ensure we continue to meet our members’ needs. Staff engagement is a critical component of an organization that is constantly evolving to stay relevant.”

“The board is very pleased to see the continued high engagement score results of the Innovation staff group,” says Bruce Sack, Innovation Credit Union Board President. “We are thrilled the scores are comparable to other great businesses’ in Canada. As a board we understand that we are here for our membership and having an engaged staff group ensures our members are getting the best experience possible. If you don’t have engaged employees, you will not have satisfied members.”

Innovation Credit Union is a Saskatchewan headquarter financial institution with 410 staff in 24 Advice Centres. The credit union serves over 52,000 members, has just over \$2.5 billion assets under administration. With the overwhelming support of its membership, Innovation is excited to be one of the first credit unions in Canada to be pursuing a Federal Credit Union charter under the Bank Act.

The list of the AON Best Employers in Canada, along with editorial features, will be published in the November issue of Maclean’s magazine as well as on CanadianBusiness.com.
