**Innovation Credit Union Picnic in the Park
June 7, 2020**

Considering the current COVID-19 situation and future uncertainty, the decision has been made to postpone this year's annual Innovation Credit Union Picnic in the Park event until June 6, 2021.

"We regret having to make this decision, but the safety of our members and communities is of the utmost importance," says Innovation CEO Dan Johnson. "It is our responsibility to help prevent the potential spread of the COVID-19 virus."

Innovation Credit Union Picnic in the Park is a day of fun that the entire family can enjoy. The event is held on the first Sunday in June each year at Riverside Park in Swift Current. The event features, food, games, local entertainment, and numerous community organizations from Swift Current and area. This year would have marked Picnic's 39th anniversary.
